Good morning Fiona

A question was asked at the MDCA on Monday evening regarding the Mapua Master Plan and the catchment management plan.

Please see the email below which provides the TDC answer to the question.

Regards
Christeen

Hi Christeen,

I understand that there were discussions at the Māpua Resident Rates Association about the Catchment Management Plan. This is currently being finalised and will form part of the Masterplan. We are planning to take the final Masterplan to the 14 August meeting – it has been slightly delayed due to staff being pulled in to help with the recent events.

If you have any questions let me know.

Regards
Anna
