Many thanks Christeen,

Chris,

Attached is a Flyer for a **Mapua-Ruby Bay Community Emergency Preparedness (CEP) Survey** that the MDCA has launched.

The Survey is hosted on Survey Monkey which cost \$100/month, hence the push to get the message out to as many local residents and businesses as quickly as possible.

Also attached for a bit more context is a summary of the progress the CEP team have made over the past 4-5 months. As you will see we are focused on fostering a Community-led response, encouraging resilience and empowering/enabling residents to take care of themselves/neighbours during emergencies. To date we have had a very positive response from both local residents and business owners.

So a couple of requests:

- Firstly, if possible, can you please find a way to promote our Survey in order to maximise resident's awareness.
- Secondly, it would be good to share the CEP Team's journey to date and introduce our local CD Coordinator (Susie Wendelborn) via a future article in Newsline - I would be happy to work with you to prepare some appropriate materials (text/graphics/photos etc).

Thanks in advance for your assistance.

Paul McIntosh
