Mapua Hall 80th Anniversary Celebration-

Friday 17th October 2025- Full venue 6pm -11pm

With covid we missed our 75th anniversary so now its an 80th!

Organising is underway. If you have information, paper cuttings or contacts relevant to our 80 year development of our community run owned and operated hall then we'd love to hear from you.

I'm on annual leave 24th August to 2nd September in the lovely Cook Islands- lucky me!

Maintenance and cleaning

With winter bugs going around please make sure if you use the tables, mugs etc and items shared with hall users, that you wash/ wipe these down afterwards.

We have finally had the go ahead to have our carpark sealed out the front of the hall. The date is yet to be confirmed but it is pencil booked for the 21st July. This mean no parking at the front entrance the hall please. Its my understanding the side of the hall car parks will be available but I'm checking on that with the contractors and their health and safety requirements. I will let you know as soon as possible so you can tell your classes.
the work is expected to take a couple of weeks.

We are in the process of an insurance claim for our wee kitchenette area after steam damage from the hot water urn not switching off.

The small fridge no longer works and any milk left in the fridge has been moved over to the main kitchen commercial fridge. Please check it before use to make sure its still drinkable.
