Funding Details (description of what you are applying for)

Funding for ongoing work of the MDCA

Funds applied for will be used to ensure the activities of the MDCA continue as in previous years. MDCA has 2 incomes, from our membership and from the TDC through this grant

The income is used to ensure that the MDCA continues to be a strong voice for the community and works hard to liaise with both councillors and staff at the TDC

The grant will be used for

- Honoraria payments for the Secretary, Social Media and Treasurer who are appointed by the Exec
- Hire of the Māpua Hall for meeting
- Website and social media costs
- Admin costs
- Leaflet drops / Promoting the MDCA and community developments

Please see attached accompanying letter from Association regarding application

How is your Community Association planning on engaging with a diverse range of people in your community.

Monthly meetings, membership, website, Facebook page, talking to other community groups, local advertising of meeting and items of interest, monthly update in Coastal News. New noticeboard at Māpua wharf area

How is your Community Association planning on advocating on behalf of their community to Tasman District Council.

Councillors attend monthly meetings, MDCA will facilitate and encourage TDC to engage with community either through MDCA meetings or at separate events. Submitting on issues and / or attending council meetings

How is your Community Association planning on providing information on Tasman District Council matters that are of interest to your community.

We use a variety of different methods to get information out to the Māpua and Districts Community including meetings, Facebook, website, MDCA notice board at wharf, Coastal news, posters for meeting where we are trying to get more people to let the TDC know what the community feel
