Mapua Community Hall – 80th Anniversary Celebration

Dear regular hirers of the Mapua Community Hall,

We are delighted to announce that 2025 marks **80 years** since the opening of the Mapua Community Hall — a place that has brought our community together over the years.

To celebrate this incredible milestone, we are hosting a special **80th Anniversary Celebration**, and we would be honoured to have you join us.

We would especially like to extend this invitation to **everyone who has contributed to the hall in any way over the years** — whether you've been on a committee, volunteered your time, or supported the hall in any other role. Your efforts have helped make the hall what it is today.

Please pass this invite to those who may not have the online presence to receive this but have been involved over the years.

If you have helped with the hall over the years, please let us know:

- What your role was
- Roughly how many years you were involved

We'd love to acknowledge your contribution as part of the celebration.

Please RSVP and share your involvement with mapuahallbookings@gmail.com

We look forward to seeing you there and celebrating this very special occasion together!

Check out our 2 other fundraising events listed below. Have you considered bringing your class attendees to a fun quiz night at the Sprig and Fern quiz night?
