

**Ruby Bay Bluffs Clearance Work**From **Paul McIntosh** Date **2025-08-13 10:48**

Jamie,

On behalf of the MDCA and local residents, I would like to pass on our thanks for the timely road clean-up and reopening of Stafford Drive and the Bluffs.

We acknowledge that the past months have been incredibly busy for your team as you tackle the many road-related remedial projects across the district. Given this, the quick response in Māpua - Ruby Bay, which was not as severely impacted compared to many of our neighbours, has been very well-received.

MDCA wish you and your team all the best with the ongoing recovery efforts.

Best regards,
Paul McIntosh
MDCA Chair.
