

Hi MDCA,

Following on from this, we've arranged a separate event in the hall to showcase Circle Living - next week Wednesday at 5:30pm. Feel free to share around the event details: <https://events.humanitix.com/cohousing-in-tasman-let-s-make-it-happen>

Kind regards,

Hi there,

From Mapua myself, I am part of a company that is taking the exemplary Takaka Cohousing model ([www.takakacohousing.co.nz](http://www.takakacohousing.co.nz)) and looking to undertake similar developments elsewhere - the next being Tahnunanui. There's a great story to what we are doing, and I'd be happy to do a presentation at your next meeting if you're looking for speakers.

There's a short video on our pledge page which gives you an idea of what we are all about: [Circle Living Ltd | PledgeMe](#)

Kind regards,
