We are delighted to invite you to a very special occasion, the **80th Anniversary** of our Mapua Community hall

Over the decades, our hall has grown to become a cornerstone of the community and that is thanks in large part to **you**, our regular users and hirers. Your continued support, dedication, and presence have played a vital role in making our space not just a hall, but a vibrant hub for connection, creativity, and community spirit.

This year's anniversary has had a change in direction, the format won't include performances by our regular users as first suggested by me.

Instead, other entertainment is being provided on the day. This means you can sit back relax and enjoy the celebrations.

We would truly love to see you there as we honour our history, celebrate our present, and look ahead to the future.
