Subject: Flood stories

Mōrena

You may have seen information around about the project of collecting the stories and experiences of the June/July weather events.

Katie Sellars, the project lead is attempting to get stories and experiences from a range of people, not just those who were impacted but also those that gave their time to assist.

She is happy to gather your thoughts in person, over the phone or in written format.

If you'd like to be part of this historic record, free to complete the question prompts in the form below or give Katie a call on 027 281 0416 or email katie.sellars@tasman.govt.nz

Katie works Monday – Thursday 8am-2:30pm
