

**Harvest Lunch Lunch @ Wakefield**From **Elspeth Everitt** Date **Today 17:46**

Good evening

Yesterday I placed several posters on notice boards around Mapua.

We slid a poster into the community notice board by the Apple Shed and wanted to advise you of this.

This event is to support the Wakefield Community Hub project .

Can we ask approval for this poster to be used in that spot until the end of March 2026

Regards
