Hi Ana

Sincere thanks for coming along to our meeting last week. The information you shared was extremely well-presented and much appreciated. I'm only sorry we didn't have more locals in attendance to hear about the incredible and varied work undertaken by the whole Hospice team - although you did have two Tasman District Councillors in the audience!

Thanks again for your time - I am certain that everyone in the room learnt more about Hospice and will be happy to advocate for your cause.

Warmest regards
Lynley
Acting Secretary
