Good morning Aileen. I hope that all is well with you.

At last night's MDCA meeting I was tasked to find out from you what the process is and from whom to get funding for the AED machines.

Kind regards

Henk

to me

Hi Henk

I am well and enjoying my new life in Ashburton! Hope you are well too

I have no idea how to do this. I have googled community AED grants and looks like options to have look at?

For the AED that the MDCA bought (the one at Ruby Bay store) we did a Givealittle fundraiser.

We have maintained the AED's through the separate pot of money - that has come from

- Club Mapua
- TDC community grant
- Coastal news grants
- left overs from Givealittle fundraising

Sorry not much help!
