to Jim

Good morning Jim, I hope that all is well with you.

Just want to find out which AED machines need maintenance this coming year, and if so how much this will likely cost.

So that the MDCA can be prepared.

Kind regards

Henk

to me

Hi Henk,

The batteries and pads at the aed at cushlas are due to be replaced towards the end of this year. Previously cushlas owners have paid for this. I am away in the Netherlands until July so I can find out about the payment when I get back

Hi Jim.

Thank you so much Jim for your quick Reply especially being in Holland on holiday.

I will pass this info on at our next meeting.

You enjoy the rest of your holiday.

Kind regards

Henk
