Subject: Tasman Alliance Volunteer Day and Portacabin free to community group

Kia ora,

We're reaching out to local community groups for two opportunities where Downer and the Tasman Alliance may be able to provide support to our community.

1. Community Project Nominations

As part of Downer's Community Volunteering Programme, we are seeking nominations for practical community projects that could benefit from the support of a team of Downer volunteers.

We are looking for projects that:

- Can be completed in one day
- Would benefit from volunteer labour and minimal materials and/or machinery
- Deliver a lasting and positive outcome for the local community
- Can be safely undertaken by a team of volunteers

Projects may include improvements to community spaces, recreational facilities, schools, reserves, community gardens, or other initiatives that enhance the wellbeing of local residents.

2. Free Portacabin Available for a Community Group or Charity

We also have an L-shaped portacabin, currently set up as an office, that we would like to donate to a local community group or charitable organisation.

The portacabin is being offered free of charge, and we will arrange delivery to a suitable site within the region.

To help us determine the best recipient, we ask interested groups to submit an Expression of Interest (EOI) that includes:

- A brief description of the organisation
- How the portacabin would be used
- The community benefit it would provide
- The proposed location for the building

How to Apply

If you would like to nominate a project, express interest in the portacabin, or know of a group that may benefit from either opportunity, please send the details through by Friday, 14 August 2026.

Please email nominations and EOIs to:

Matthew Sledmore

Tasman Alliance Manager

 matthew.sledmore@downer.co.nz

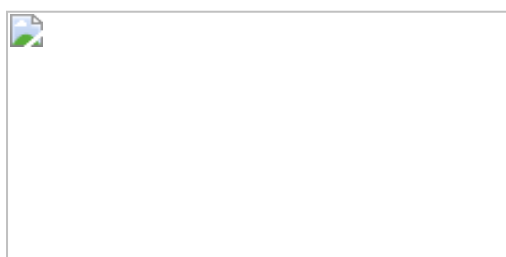

We look forward to hearing about the great work being done across our communities and identifying opportunities where we can make a positive difference.

Ngā mihi,

Mariessa Cerny
