

Kia ora Mapua Community,

My name is Hestia, and I am a new resident of Mapua Village. I currently work locally with Nurture@Home.

I wanted to get in touch because I have an idea that I think could be a lovely addition to our community—a fairy garden that local children and families could visit and enjoy. I was wondering if this might be a possibility and whether there is someone I could meet with or contact to discuss the idea further.

I would love the opportunity to explore whether this could become a community project and would appreciate any guidance on the best person or group to speak with.

Thank you for your time, and I look forward to hearing from you.

Kind regards,

Hestia Kelleher
